TERMS GOVERNING THE RELATIONSHIP FOR THE PROVISION OF AGENCY SERVICES BETWEEN THE NAMED AGENCY NURSE AND NURSE ON CALL (THE AGENCY)

This statement summarises the essential terms of the relationship between the agency nurse and Nurse on Call as already agreed in the application documents.

This statement applies to _____ (THE AGENCY NURSE)

(a) NAME OF AGENCY: NOC Ltd trading as Nurse on Call

(b) ADDRESS OF AGENCY: 16 Harcourt Street Dublin 2

(c) PLACE OF WORK: The agency nurse can choose the place of work depending on availability.

(d) JOB TITLE OR NATURE OF WORK: Agency nurse providing professional nursing services to a third party. The agency does not warrant that it will have any work available nor is the agency nurse obliged to accept any work offered. There is no mutuality of obligation.

(e) DATE OF COMMENCEMENT OF WORK: The agency nurse will be totally free to choose the time and date of shifts they choose to work. The work shall start at the commencement of the shift and terminate at the end of the shift.

(f) The agency nurse will be under the direction and control of the third-party hirer (usually a hospital) whilst working a shift on the hirer's premises and the third-party hirer is solely responsible for the Agency Nurse's Health and Safety whilst on the Third Party's premises.

(g) RATE OF REMUNERATION: The rate of remuneration will be the appropriate increment on the Department of Health scale for registered nurses or the equivalent rate of pay for a directly hired nurse on the hirer's premises where this differs from the DOH scale.

(h) PAY INTERVALS: The Agency nurse will be paid weekly following receipt of a completed timesheet signed by an authorised person for the third-party hirer (hospital) for the shifts worked.

(i) HOURS OF WORK: There are no stipulated hours of work as the agency nurse is free to choose what hours they work. The Agency Nurse is entitled to statutory rest periods. In view of the emergency nature of agency nurse deployment and the nature of hospital work, if there are occasions when the hospital is not in a position to provide the statutory rest period, then this should be noted and signed off for on your timesheet. You will be paid for all hours worked.

Statutory Rest Periods under the Organisation of Working Time Act, 1997: • A daily rest period of 11 consecutive hours per 24 hours; • A weekly rest period of 24 consecutive hours per 7 days, following a daily rest period; • A 15-minute break if working 4.5 hours; • A 30-minute break if working 6 hours. (which may include the first break) Payment for breaks is not a statutory entitlement.

(j) PAID LEAVE: As the agency nurse chooses their own hour of work, leave can be taken at the nurse's discretion. Leave will accrue in proportion to the time worked and payment will be calculated in accordance with and in proportion to the number of standard hours worked. Public Holiday will be paid when 40 hours have been worked in the five weeks preceding the week ending prior to the public holiday.

(k) SICK PAY No sick pay will be paid.

(l) PENSION SCHEMES: Access to a PRSA scheme is available.

(m) PERIOD OF NOTICE TO BE GIVEN: Not applicable as the Agency nurse chooses their own hours and there is no warranty by the Agency to provide work.

Increments

I am aware that my incremental point will be agreed at the time of interview based on the proof I have provided.

As Nurse on Call is an Agency, hours and weeks worked can vary hugely amongst staff. Therefore, the onus is on the individual to inform Nurse on Call HR department if they have moved an increment or if they are due an increment increase.

Once queried, if appropriate, we will implement the change and inform the accounts department of the same and confirm this with the agency worker.

Please note, there can be no backdating of pay as invoices have already been submitted once payments for shifts have gone through.

I have read and understood the above regarding increments.

I am aware if I do not contact the HR department to query my increment, that I will remain on the same point until queried.
